EXPERIENCE ICELAND... at friends!

Relax, ride and enjoy.

Haunting trail riding tours in breathtaking nature on legendary Iceland horses. Þorlákshöfn – a family friendly fishing village, located at the south coast of Iceland - only 30 minutes from Reykjavik.

- Free transfer from Reykjavik to Þorlákshöfn for our guests
- Free entrance to our local swimming pool
- We plan your Individual trail riding tour for you, your family and your friends

Þorlákshöfn and the surrounding area is the ideal place for outdoor activities: great hiking routes, black sand beaches and cliffs, a golf course, a motorcross track, football-golf, and many other possibilities for people of all ages.

We are also close to the Golden Circle, where you can see the famous hot spring Geysir in Haukadalur, Þingvellir and Gullfoss.

Black Beach - Perluhestar special

3 hours trail riding tour

The beautiful Peninsula extends far out into the Atlantic from the south coast. We enjoy wide open stretches of the black lava sand at the beach, where only the tide sets a limit to the freedom of horse and man. This is a perfect opportunity to try out the famous "tölt" over a long distance and

to enjoy the scenic landscape and ocean view. On a clear day you have a perfect view on some of the famous volcanos above all Eyjafjallajökull .

Joyful riding

perfect for families - 1 hour

You feel the Icelandic horses' qualities. This tour in Iceland's unique nature takes one hour and is perfect for families, groups and guests travelling with their own car respectively for those who want to try out the qualities of

Exploring Tour - explore with us

1,5 - 2 hour trail riding tour

On this tour we offer the best riding routes available each time. Depending on weather and wind, we ride in the scenic surroundings of our horse center, for example down to the black beach and through a lava field area, ending on a good riding path next to our horse center. We ride in small groups.
